

Providing Industrial Supplies for Higher Education Facilities

Whether you run the Admissions Office, Maintenance Shop, Fleet Department or you are a professor working at a college, **Applied Industrial Technologies** provides the industrial and maintenance supplies you need to keep your school in A+ condition. From cleaners and chemicals to safety products and signage, Applied® has just what you need to keep your schools running at maximum efficiency.

Local Service & Support

With more than 460 electronically connected locations throughout North America, **Applied Industrial Technologies** is ready to serve you where you need us! We offer 24-hour emergency service, seven days a week. Our associates are trained product experts who understand your processes and applications.

Ordering Made Easy

Applied® can accommodate orders of any size – from a single tube of sealant to 100 flashlights! Purchasing is always hassle-free with our multiple ordering methods:

- Contact your local Applied® service center at **1-877-279-2799**
- Order online at **Applied.com** or **GSA Advantage**
